

**UNI-ASIA GROUP LIMITED**  
Company Registration No: 201701284Z  
Incorporated in the Republic of Singapore

## **CYBERSECURITY INCIDENT**

The Board of Directors ("**Board**") of Uni-Asia Group Limited (the "**Company**", and together with its subsidiaries, the "**Group**") wishes to announce that a member of the Group has encountered a cybersecurity incident, where its information technology server has been hacked (the "**Incident**"). An unknown party has gained unauthorised access to the server which has resulted in the member of the Group being unable to access its data housed in the server.

The member of the Group's information technology functions are outsourced to an external vendor (the "**Vendor**"). The Group has activated its Incident Response Plan and is currently working with the Vendor to identify, contain and address the Incident and restore access to the data. The Company is currently unable to provide an accurate assessment on the impact of the Incident on the Group's business operations.

The Company is currently assessing the situation and investigations are ongoing. The Company will provide further updates if there are any new material developments relating to the Incident.

For and on behalf of  
Uni-Asia Group Limited
