## **UPDATE ON M/V GLENGYLE INCIDENT**

The Board of Directors of Uni-Asia Group Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) refers to its announcements dated 27 April 2025, 15 May 2025, 28 May 2025 and 12 November 2025 regarding the incident involving M/V Glengyle (IMO 9727285) (“**Glengyle**”), a bulk carrier owned by Mable Bulkship S.A. (a wholly-owned subsidiary of the Group held through Uni-Asia Shipping Limited). The Company would like to provide the following update.

Following the towage of Glengyle to Vung Tau anchorage, clearance for Glengyle to depart Vietnamese waters aboard a heavy lift vessel was granted on 15 January 2026, and the vessel departed on the same day. After arriving at the repair yard in Zhoushan, People’s Republic of China, Glengyle was safely discharged via float-off from the heavy lift vessel on 25 January 2026 for permanent repairs.

Based on the repair yard’s preliminary assessment, permanent repairs are currently expected to be completed by around mid-March 2026, subject to the finalisation of the repair schedule, completion of all necessary works, and any required surveys or approvals by the relevant authorities, the Classification Society, and the insurers.

Investigations are currently on-going to determine the cause of the incident and further updates will be provided as more information becomes available.
